MAE Subsidiary Gets RM81.821 Million New LCCT Work Contract

KUALA LUMPUR, Sept 13 (Bernama) -- Malaysian AE Models Holdings Bhd (MAE) announced Monday that its wholly-owned subsidiary Matromatic Handling Systems (M) Sdn Bhd has secured a sub-contract worth RM81.821 million from UEMC-Bina Puri JV.

The contract is for the supply, installation and maintenance of a baggage handling system for main terminal building, satellite building, sky bridge and piers for the proposed new Low-Cost Carrier Terminal (LCCT), MAE in a filing to Bursa Malaysia.

The job will take 20 months to complete, from Nov 15, 2010, to July 14, 2012, the group said.
